

Energy Efficiency Class A+ leaves your wallet and the environment cheer. By particularly economical technology benefit you and make an active part in environmental protection.

Specifications

- Colour: White
- Static Cooling System
- Reversible Door
- Adjustable Feet
- Mechanical Control System
- 1 Compressor
- Net Capacity: 85Litres
- Antibacterial Door Seal
- 3 Compartments
- Quick Freezing Compartment
- Ice Cube Tray

Technical Specifications

- Frequency: 50Hz
- Voltage: 230V
- Current: 0.50A
- Connection Rating: 60W

Energy

- Energy Efficiency Class: A+
- Energy Consumption: 191kWh/year
- Noise Level: 43dB(A)

Dimensions

- Height: 86cm
- Width: 54cm
- Depth: 55cm
