FAMILY SIZED TRAY

Equipped with an extra-large, family tray providing a 21% larger cooking area, perfect for baking large batches of cookies. And, with a depth of 55mm, the Beko family sized-tray is great for cooking large joints of meat!

GRILL

Uses radiant heat from the grill to brown food quickly, great for grilled cheese. The Grill function can also be used as a healthy alternative to frying meats. Great for bacon sandwiches.

EVEN BAKING

Increased volumetric constitutes a decisive advantage regarding the ability of an oven cooking. The configuration of standard sizes, oven Beko shows one of the most spacious interiors in its class.

FAN GRILLING

Fan grilling is ideal for sealing in juices whilst the fan circulates heat making sure your food is cooked evenly and browned on the top. Perfect for baking potatoes.

FAN COOKING

Fan assisted ovens circulate heat evenly within the cavity to ensure more consistent results whilst cooking. Perfect for baking and roasting.

OVEN INTERIOR LIGHT

The interior oven light illuminates the inside of your oven so you can keep an eye on what you're cooking. Perfect for when you're baking cakes or yorkshire puddings and you don't want to spoil them by opening the oven door.

EASY CLEAN ENAMEL INTERIOR CAVITY

The interior of this built-in oven is coated in enamel making cleaning a breeze. Simply wipe the glossy enamel surfaces for a perfectly clean oven.

PRACTICAL DOOR HINGES

As well as contributing to the stylish and decorative design, the door hinges on your oven are both practical and convenient. The sturdy door hinges can hold up to 22.5kg of weight lending you extra space when checking your oven dishes.

EASY TO REMOVE FULL GLASS INNER DOOR

Cleaning your oven is now easier than ever with the easy to remove, full glass inner door. Free of bolts, just remove the inner glass and you have full access to clean your oven. Not only that, the full glass inner door also looks great!

TIMER WITH ANIMATED DISPLAY

The convenient programmable, animated timer allows you to pre-set your oven in advance, great for busy working mums and big family meals. So easy to read and use with the large animated symbols and simple buttons and dials.

ENERGY LEADER A

All Beko ovens and cookers are a minimum of A Energy Rated and can save you a significant amount of money on your energy bills.

SAVING YOU MONEY

Eco-friendly and cost efficient, this A-Rated appliance will cost you next to nothing to run so you'll have more money to spend on your family.

AESTHETIC DESIGN

Not only is this built-in oven practical and convenient, it's stylish and sleek design fits perfectly into any modern kitchen.

WIDE GLASS WINDOW

The wide glass window allows you to monitor how your meal is progressing without having to open the oven door. Perfect for checking if your cupcakes or yorkshire puddings have risen without the risk of spoiling them.

EASY TO REMOVE SIDE RACKS

The side racks in this oven are easy to remove making cleaning the interior of your oven less of a chore. Simple detach by hand and clean the side racks in your sink.

TELESCOPIC WIRE SHELVES

Fitted with extending arms provide safer and easier access to the cooking tray and telescopic runners to eliminate accidents..
